

The Tinton Falls Library has eBooks and Audiobooks for Download!

What you need:

- An internet connection via a PC, Mac®, or select mobile devices
- A valid Tinton Falls Library card
- Free, required software available at <http://monmouth.lib.overdrive.com>
 - For audiobooks on PCs, Mac®, and mobile devices: Overdrive® Media Console
 - For PDF and EPUB eBooks on PCs, Mac® and many eBook devices: Adobe® Digital Editions

How it works:

Step 1: Browse the library website at <http://monmouth.lib.overdrive.com> or search by title, subject, author or format

Step 2: Check out by adding selections to your "Cart". Click on the "Proceed to Checkout" link. (Note: if an item is not available, you may place a hold on it. You'll receive an email when the item is available.)

Step 3: Download and enjoy! Click "Get for Kindle" or "Download" to begin enjoying your item. Once you have downloaded it, you can enjoy your selection on a variety of devices including Kindle®, iPod®, and others. There are some variations on downloading for mobile devices listed below.

Titles will automatically expire at the end of the lending period. There are no late fees!

Mobile devices

After completing the Checkout above, most titles can be read on a such as Kindle®, iPod® or Sony® Reader.

1. For eReader devices: Open Adobe® Digital Editions and drag and drop the title onto the device name on the left hand panel. After the transfer from your computer is complete, you may disconnect your eReader device and enjoy your item on the go.
2. For audio: Open the Overdrive® Media Console™, select your item and click "Transfer" to launch the Transfer Wizard. Follow the prompts to complete the transfer process.
3. For Kindle®: Click "Get for Kindle® or Kindle® reading app to which you wish to deliver the item.

Visit <http://www.overdrive.com/resources/drc> for a complete list of compatible devices.

Burn to CD

After download, many audio titles can be burned to CD. First insert your CD into the computer drive. Then:

1. Click the "Burn" button on the Overdrive® Media Console™ to launch the Burn Wizard.
2. Select the part you wish to burn. When the burn process is complete, you may enjoy your item on CD.
