

OH, NO! IT'S GONNA SNOW!

SNOW EVENT PARKING BAN Borough Ordinance 7-3.3

Whenever snow has fallen and the accumulation is such that it covers the streets or highways within the Borough, an emergency shall exist, and no vehicle shall be parked on any street or portion thereof.

The parking prohibition shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

SNOW PLOWING AND YOUR MAILBOX

Proper curbside is crucial to the survival of your mailbox during the winter snow events. Our plow operators clear accumulations to the curb to provide safe streets and to minimize flooding from blocked storm drains. **Mailbox installations must be sturdy enough to withstand discharged snow and adequate clearance must be present between the curb and the box for plow passage.**

Below are some tips on curbside mailbox placement that will help reduce the chance of damage during snow plowing operations.

THE BOROUGH WILL ONLY REPAIR OR REPLACE MAILBOXES THAT ARE INSTALLED ACCORDING TO USPS GUIDELINES BELOW AND ARE STRUCK BY A PLOW! Mailboxes will not be replaced due to snow discharged properly from Borough equipment. Any mailboxes replaced by the Borough will be standard quality only.
