TINTON FALLS POLICE DEPARTMENT PARTICIPATING IN NATIONAL PRESCRIPTION DRUG TAKE-BACK DAY APRIL 29

[TINTON FALLS, NEW JERSEY] – On April 29, 2017 from 10 a.m. to 2 p.m. the Tinton Falls Police Department and the Drug Enforcement Administration (DEA) will give the public the opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to Tinton Falls Municipal Complex at 556 Tinton Avenue, Tinton Falls, New Jersey. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

Last September, Americans turned in 350 tons (over 702,000 pounds) of prescription drugs at more than 5,000 sites operated by the DEA and more than 3,800 of its state and local law enforcement partners. Overall, in its 10 previous Take Back events, DEA and its partners have taken in over 5.5 million pounds—more than 2,750 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the April 29 Take Back Day event, go to the [DEA Diversion website](#) or go to www.tintonfalls.com.
