### **Clerk Hanlon Announces County's Ballot Tracking System is Available for the 2024 Primary Election**

*BallotTrax system tracks return of mail-in ballots for Monmouth County voters*

FREEHOLD, NJ – Monmouth County Clerk Christine Giordano Hanlon is reminding voters who choose to vote by mail-in ballot in the 2024 Primary Election to sign up for BallotTrax, the County's enhanced ballot-tracking notification system.

Once voters sign up, they will automatically receive a notification by call, email or text alerting them when their ballots have been received by the County Board of Elections for counting. Voters can sign up for BallotTrax online at [MonmouthCountyBallotTrax.com](http://MonmouthCountyBallotTrax.com).

“Monmouth County is the only county offering the BallotTrax system to residents because transparency in the elections process is so important,” Clerk Hanlon said. “A voter who chooses to submit a mail-in ballot can track it with this free service which includes text, call and email notifications, so it provides peace-of-mind from start to finish.”

Clerk Hanlon launched the Monmouth County BallotTrax system in 2020 in partnership with the Monmouth County Board of Elections to help voters learn when their mail-in ballots have been received by the County Board of Elections. This system is supplemental to the State of New Jersey's “Track My Ballot” website (<https://www.nj.gov/state/elections/vote-track-my-ballot.shtml>) which does not provide notifications.

For questions about the return of mail-in ballots for counting, please contact the County Board of Elections at 732-431-7802.

For questions about the issuance of mail-in ballots, please contact the County Clerk's Elections Office at 732-431-7790.
