NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The 2016 Capital Budget and proposed six year Capital Program, 2016-2021, provides for improvements to Borough facilities, transportation, acquisition of equipment for various departments, sewer infrastructure improvements, and recreation related improvements. The improvements are considered necessary to extend or maintain the Borough's infrastructure in order to meet the needs and expectations of our residents. It remains the Borough's goal to provide first class facilities at a reasonable cost. In order to achieve this goal, the Borough will seek all available funding sources to limit the burden to the taxpayer.

The Borough continues to pursue additional property acquisitions for the preservation of open space and recreational purposes. These acquisitions will be funded through grants and dedicated municipal open space tax.
