Re: 2023 Recycling Tonnage Report

According to the Borough of Tinton Falls Municipal Ordinance and State Law, **all residents, businesses, and institutions are required to recycle.** Therefore, as the owner, operator, or manager of a business, institution or multi-family dwelling, you must ensure that a recycling program is in place.

Each year, as required by NJDEP recycling regulations, N.J.A.C. 7:26A-10.3, and Municipal Ordinance #15-6, all businesses, institutions and multifamily dwellings must report the prior year's tonnage of recycled materials to the municipal recycling coordinator. **Failure to establish a recycling program and/or submit tonnage information may result in a monetary penalty.**

Please complete and return the attached *RECYCLING TONNAGE REPORT*. The attached form provides important information as well as instructions on how to complete it.

Local businesses are the backbone of our Borough, and your cooperation is critical to the success of our recycling goals and initiatives. Should you have any questions once you have reviewed the enclosed materials, please do not hesitate to contact me at 732-542-3400 x 244.

Very truly yours,
