

Spring Recreation Soccer

This program is for children currently in Kindergarten, First and Second grade as of September 2019. Directed by Cedar Stars Academy, the program was created to have minimal conflict with other spring sports while allowing players to have the opportunity to stay in touch with the soccer ball once per week. There are no weekly practices or set teams and the game schedule is the same every week making it easier to plan around other spring commitments. Games are held at the Capelli Sport Complex in Tinton Falls. All participants will receive a t-shirt.

About Cedar Stars Academy:

Our focus and philosophy in The Foundation is based on one main goal: FUN! We want these young players who are being introduced to professional coaching for the first time to enjoy every minute of training. Our coaches and curriculum are focused on this main goal. Within this, there is always work to be done. At this stage, habits are created and technical skills are taught to each individual player at **Cedar Stars Academy**. Each player will participate in age-appropriate small-sided games. It is also important to realize results are irrelevant at this stage, and it is the love of the game and the technical foundation that are the main goals.
